

The Lumeo II LED Downlight is a powerful and durable lighting fixture engineered for environments that demand both high illumination and robust protection. Constructed from premium aluminum with a sleek white finish, this downlight seamlessly blends into modern interiors while offering exceptional performance.

Designed for integrated suspended ceiling mounting, it features a cut-out size of $\phi 115\text{mm}$ and an overall dimension of $\phi 135 \times \text{H}80\text{mm}$. The Lumeo II is protected against dust and water, making it ideal for use in both commercial and residential spaces, including kitchens, bathrooms, or semi-outdoor areas.

Technical Data

Material	Aluminum
